

**Rescheduling of Manufacturing Indonesia 2021 / Machine Tool Indonesia 2021
to 30 November – 3 December 2022**

Dear Valued Partners,

After careful deliberations with key industry stakeholders, exhibitors and suppliers, PT Pamerindo Indonesia has taken the difficult but necessary decision to reschedule the next edition of **Manufacturing Indonesia** from 1 - 4 December 2021 to **30 November - 3 December 2022** at the same location, the Jakarta International Expo (JiEXPO) Kemayoran.

We believe that the revised dates in November / December 2022 will better meet the needs of our exhibitors and visitors and to facilitate conditions for more effective business engagement.

Please accept our apologies for any inconvenience caused by this rescheduling. In the meantime, our team will also be launching additional communications and digital opportunities to aid the manufacturing industry and to keep you up-to-date leading up our event.

We wish to thank your participation and continued support of our shows and we greatly appreciate your understanding in these unprecedented times. Our sole focus remains to provide a safe event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.
